Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

education.nsw.gov.au

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed

'Will I be a good dad?'
is a common concern amongst new dads and dads-to-be.

The Focus on New Fathers program provides a free text message based service called SMS4dads.

Free tips, tools and links – directly to dad's phone

To help new dads and dads-to-be navigate the changes, before and after the birth of their baby, NSW Health and the University of Newcastle have partnered to deliver SMS4dads.

Once new dads and dads-to-be are registered, they'll receive practical tips, tools and helpful links directly to their phone.

You're eligible:

- if you are 18 years or older
- if your partner is at least 16 weeks (four months) pregnant; or
- from your baby's birth until they are 6 months old.

For more information

visit www.health.nsw.gov.au/focus-on-new-fathers

Just wanted to say thanks for this project. The text messages have been invaluable and I couldn't have known just how much I needed to receive these short and helpful messages.

Registration is free and easy.
